

Adobe InDesign CS4 Classroom in a Book Errata

Lesson 2: Getting to Know InDesign

Preflighting as you work, page 33

After step 1, you will need to import the B&W Job preflight profile. It is not embedded in the sample document and the file on the DVD cannot be imported. Use the preflight profile downloaded with this document as follows:

- 1 Choose Define Profiles from the Preflight panel menu.
- 2 Choose Load Profile from the Preflight Profile menu.

- 3 Locate the B&W Job.idpp file.
- 4 Click OK.

Resume the lesson with step 2.
